TREASURER REPORT

- Molly stressed the need for realistic budgets. The spring musical was a loss this year. Period piece musicals are more expensive to put on, largely due to costumes. Need to keep that in mind moving forward.
- Molly moved the Little Mermaid check from the Township to last year's expense for clarity purposes.

MPLT TREASURER REPORT

- John reminded everyone that the MPLT season runs June - December.
- Milo needs to get with DiaShamar for discussion.

Rainey told the group that Emily Trapani and Craig Ghormley are leaving LCHS at the end of the school year. Performing arts parents have asked if there are anything either needs that could be purchased as a going away gift. Julie Reed asked them if they'd prefer a scholarship funded for our students and they agreed. No idea of a dollar amount yet. Need to brainstorm some ideas.

- Milo will ask Craig and Emily how they'd like this done.
- Rainey will find out the dollar amount.
- Once this information is compiled, it will be sent out to parents.
- Possibly award by June 4?

Tad discussed LCHS performing arts plaques to be distributed to local area businesses who support our endeavors.

Next and final meeting (retreat) for the 2021-2022 school year will be Tuesday, June 7 at 6:30 PM at Rainey and Jeff Martin's home 6642 Avalon Forest Drive.

Meeting was adjourned. Tad made the first motion. Molly made the second motion.
